

# 2015 EP Healthcare Summit

## Participating Companies

### 1. **Medtronic: Minneapolis, Minnesota - [www.medtronic.com](http://www.medtronic.com)**

Medtronic is the world's largest Medical Technology company committed to improving the lives of people through their medical technologies, services, and solutions. Medtronic's therapy area groups are Cardiac & Vascular, Restorative Therapy and Diabetes. Medtronic has lately created its Integrated Health Solutions business to address challenges that face healthcare providers, offering them partnerships that will help them increase access to advanced technologies, decrease inefficiencies, bring down costs, and improve outcomes through implementation of best practices. The company's main objective is to meet with Health care providers (public and private) to introduce our Integrated Health Solution business and discuss possible ways of cooperation.
