FOREIGN AFFAIRS OFFICE OF TIANJIN MUNICIPAL PEOPLE'S GOVERNMENT

April 1st, 2011

Invitation

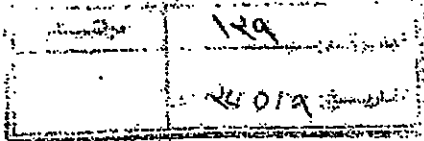

Honorable Commercial Officials in Royal Embassy of Saudi Arabia,
Here we would like to extend our sincere thanks to you for your continuous concern and support to the city of Tianjin.

The 18th China Tianjin Trade Fair & Investment Talk (CTFIT) & the 7th PECC International Trade and Investment Expo(PECC) will be held in Tianjin Meijiang Convention and Exhibition Center from May 28th to June 1st, 2011.

As a gateway to Beijing, the capital of China, Tianjin is the international harbor city and the economic center in north China. The city is an international modern livable city with unique characteristics with its trade radiating north, northeast and northwest China. Since Tianjin is located at the seashore of Bohai Sea, it is functioning not only as a hub for international trade, but also a main channel and distribution center for world commodities entering Chinese market. With the deep development and opening up of Tianjin Binhai New Area, Tianjin will become more influential to the world.

The theme of the 18th CTFIT & the 7th PECC is to attract investments, to promote business exchanges, to strengthen regional ties and to realize win-win developments. Therefore we are honored to invite commercial counselors and other Commercial Officials in your embassy to attend the opening ceremony, the reception on May 28th in Tianjin Meijiang Convention and Exhibition Center.

Introduction

The 18th China Tianjin National Commodities Fair and Investment Conference (CTFIT) & the 7th PECC International Trade and Investment Expo is scheduled between May 28 and June 1, 2011 in Tianjin, China. CTFIT has been successfully hosted for 17 consecutive years. It has officially emerged as an indispensable platform of economic cooperation, business negotiation, investment promotion and project matchmaking for businesses at home and abroad.

The theme of the 18th CTFIT & the 7th PECC is to attract investments, to promote business exchanges, to strengthen regional ties and to realize win-win developments. It will be on an expansion spree to bolster communication and collaboration both nationwide and worldwide via featured programs of exhibition, capital connection, trade facilitation, and business forums and seminars. In this sense, the 18th CTFIT & the 7th PECC will be further true to its name as a major platform of investment and trade cooperation in north China.

Tianjin Meijiang International Conference and Exhibition Center is the main exhibition all for the 18th CTFIT & the 7th PECC with 2700 booths. Additionally, Tianjin Airport International Automobile Park, Circum Bohai Building Materials Center and Tianjin International Exhibition Center serve as branch exhibition halls. The total number of booths this year tops 5700. This year's exhibition is featured with three categories: investment promotion and negotiation, merchandise trade, and talent recruitment. Investment promotion and negotiation will be held at N1, N3, N5 and N7 pavilions of the Meijiang International Conference and Exhibition Center, with a total of 1400 booths, including three zones: international exhibition zone, domestic exhibition zone, and Tianjin exhibition zone. Plus, 4200 booths fall in the category of merchandise trade, with 6 featured exhibition zones. Specifically, Arts and Crafts
